AG

Course Structure

The CILT International Certificate in Logistics and Transport is a freestanding qualification, designed to provide a sound foundation for a career within the logistics, supply chain and transport fields and should provide supervisors, first-line managers and potential middle managers with a complete set of management skills.

To achieve the CILT International Certificate in Logistics and Transport, all candidates must study and pass:

Tailor your Certificate by majoring in one of three areas:

Warehouse and Inventory Management Major

- Mandatory: Management in Logistics, Supply Chain and Transport
- Elective: Warehousing
- Elective: Inventory

Supply Chain and Logistics Management Major

- Mandatory: Management in Logistics, Supply Chain and Transport
- Elective: Supply Chain Operations
- Elective: Global Logistics and Procurement

Transport and Port Management Major

- Mandatory: Management in Logistics, Supply Chain and Transport
- Elective: Passenger and Freight Transport Operations
- Elective: Port Operations

Course Format

Students are required to complete a minimum of 3 units to be awarded the CILT International Certificate.

Each unit is delivered through a combination of online facilitated workshops and self-paced reading and eLearning.

Assessment includes in-class participation, group presentation and an assignment.

5 sessions
Held weekly 9am-1pm AEDT/AEST
(20 hours total)

Structure: Minimum 3 units

Virtual Workshop via Zoom

Fee: \$2,750 (incl. GST)

CILT Membership is included in the course fee.

A man and a woman are working together at a desk. The man is on the left, wearing a white shirt, and the woman is on the right, wearing a light green shirt. They are both looking at a laptop screen. The woman is holding a pen and pointing at the screen. The background is blurred, showing a plant and some office equipment.

Certified Professional Logistician (CPL)

Combine your CILT International qualification with your existing experience to achieve CPL through the experiential pathway.

The Certified Professional Logistician (CPL) designation is the benchmark for logistics, supply chain and transport professionals worldwide. CPL status attests to your industry standing and recognises significant experience and knowledge across logistics, supply chain and transport.

The highest professional certification offered by CILT, the CPL entitles you to use the CPL designation along with Chartered Membership post nominals (CMILT).

How to Become a CPL

Applicants will have relevant work experience, qualifications and be actively involved in logistics and supply chain management. The overall process involves:

- 400 points of combined experience, education and professional involvement
- Maintain at least 120 CPD Points over a three year period
- Abide by the professional code of conduct

Contact us on 1300 950 251 or at info@academyglobal.com to discuss your eligibility to become a CPL
